9 May 1952

Act 20

MEMORANDUM FOR: Chief, International Organizations Division

SUBJECT: Letters of Mr. C. D. Jackson Concerning Possible Communist Disturbances Among Hungarian Refugees.

REFERENCE: Your memorandum, above subject, 25 April 1952.

1. In compliance with your request, the allegations contained in Mr. Jackson's letters pertaining to ~~the~~ ~~former~~ and ~~former~~ Condor have been forwarded to the FBI.

2. On the Hanyey case, it has been ascertained that the files of this Office contain considerable data relative to Hanyey's background and activities. There is no information of a derogatory nature in these files, however, to explain a refusal to issue a visa. No record appears of information being furnished either to the State Department or to the Immigration and Naturalization Service by CIA on Hanyey. OSO is now in process of preparing a reply to a query from the Immigration and Naturalization Service on him. OSO is, therefore, at a loss to offer an explanation of Hanyey's visa difficulties.
